

Introducing our New Transportation Partner

LIFE TRANS

We are pleased to announce that effective October 1, 2020, LifeTrans will be the exclusive non-emergent transportation partner for Intermountain Healthcare myGeneration patients. LifeTrans ensures safe, reliable transportation for your medical needs, such as medical appointments, dialysis treatments, pharmacy and more.

LifeTrans has served southern Nevada for 12 years, and is the region's leading non-emergency medical transportation provider. With our shared commitment to quality patient care and service excellence, we are confident that our new relationship will make your next transportation experience enjoyable and simple.

Visit www.lifetrans.org or call 833.793.0885 to schedule transportation with LifeTrans for your next appointment.
