information

Thoughtful clinic features ensure a safe, comfortable experience.

- Located in a standalone building on the first floor for a simple car-to-care transition.
- Comfortable waiting room furniture helps set the tone for a visit that is all about you.
- Automatic front entry doors, lower height countertops at the front desk, wide hallways, oversized exam rooms, and zero threshold exam room doorways are easy for wheelchair and walker users to navigate.
- Grab bars in bathrooms, vitals, and lab stations help you move through your visit safely.
- On-site care manager collaborates with you and your provider to ensure you understand your health conditions and have the tools and resources to follow your treatment plan.
- On-site lab draws so you can get essential screenings done in one visit, without having to make another appointment.

Additional Features:

- Power lift exam room tables make it easy to get on and off and adjust your position for a smooth examination.
- On-site pharmacy and lab-processing services so you can get back to feeling better, faster.
- On-site behavioral health team supports your mental health, connecting mind and body for whole-person wellness.
- Intermountain primary care clinic located in the same building.
